MEMORANDUM

To: Ger Maher,
Senior Executive Officer, Planning Department.

Date: 29th July 2026

RE: Planning reference 26/60046 – Nature Oils Ltd/Goldstar Oils Ltd and
Bolton Biofuels Ltd

Development contributions in the sum of €140,597.40 were applied to the above planning permission under condition no.2.

Following a review of the calculations of the development contributions applied to this grant of permission, it was noted that there was a reduction in the overall sq meters of the development previously granted under planning reg. reference 17/813. Development contributions were applied to planning reference 17/813 in the sum of €207,023.42 and were paid in full. It was concluded that the calculation of development contributions for planning reg. reference 26/60046 is incorrect and should be NIL in this instance.

I seek your approval to prepare a Director of Services Order to amend the decision under Section 146A(1)(a)(i) subject to subsection (2) of the Planning and Development Act 2006 and remove condition 2 on planning permission 26/60046.
